1. The statement put up below gives the rates of travelling and halting allowances admissible to members of local boards and to members of the Legislative Council.

2. The latter rate (as for Legislative Council Members) is obviously too highly pitched for the non-official members of the Conference.

3. The following rates may perhaps be found suitable

Mileage	4 as per mile for journeys by road.
Railway fare	single second class fare and one third class fare for a servant.
Daily allowance. ...	Two rupees per day.

4. Since the meetings of the committees will ordinarily be held at Bangalore or Mysore the daily allowance of Rs.2/- will not be more than adequate for board, lodging, conveyance and other incidental expenses.

5. Rupees two is the rate allowed to Deputy Amildars among officers in service.

6. Of course official members will be regarded as on duty when attending meetings of the Conference and the Committees and will draw the travelling allowance admissible under the rules.

Submitted to His Highness.

A question having been incidentally raised as regards the rates of travelling allowances admissible to non-official members of the Mysore Economic Conference, the General and Revenue Secretary proposed that such members may be allowed the following rates:-

Mileage	- 4 annas per mile for journeys by road.
Railway fare	- Single second class fare for self and one third class fare for a servant.
Daily halting allowance	- Rs.2 per day.

2. The Financial Secretary notes that the rates proposed by the General Secretary are moderate.

3. Both the Councillors are of opinion that the non-official members may be allowed the same rates as for Amildars, viz., double second class fare for Railway journeys and a halting allowance of Rs.3 per diem. They have omitted to notice that a scale of mileage is allowed to Amildars, viz., 6

6 annas a mile.

4. The rate for Amildars may, I think, be adopted, viz.,

6 annas mileage

3 Rs. per day Halting allowance

Double second class fare by Railway.

1st Sept

Sir,

I am directed to submit for the information and orders of Government, copy of Resolution No. 1 of the Committee carried at their Second Monthly Meeting held on the 22nd and 23rd August 1911, on the subject of increasing the rates of the Travelling Allowances to the Members of the Committee, with a brief abstract of the discussions on the subject.

2. I may add that the Government Order No. G.434-8 dated 20th July 1911, G.M.36-11-6 does not provide for payment of Travelling Allowances to the Members of the three Committees who are not members of the Conference and that as the Committees have begun work it is necessary to provide a scale of Travelling Allowances for them also.

3. I therefore request you to be so good as to obtain the very early orders of the Government on both the points referred to above, Viz., (1) payment of Travelling Allowances to the Members of the Committees who are not Members of the Conference and (2) enhancing the rates of the Travelling Allowances

Allowances now fixed for the Members of the Conference. (9)

I have the honor to be,

Extract of Resolution No. 1 of the Proceedings of the Second Monthly Meeting of the Agricultural Committee of the Mysore Economic Conference, held on Tuesday and Wednesday the 22nd and 23rd of August 1911.

Government Order, dated 20th July 1911, fixing the rates of Travelling Allowances to non-official Members of the Conference.

Some of the non-official Members of the Committee thought that the rates of Travelling Allowances fixed in the Government order of the 20th July 1911, being those granted to an Amildar, were too low and that a representation should be made to Government to enhance the rates. It was mentioned that so far as the retired officers of Government were concerned, the subject was under the consideration of Government. The Chairman reserved his opinion in the matter as the subject might come up before him in the capacity of a Councillor.

Resolution I.- It was proposed by Mr. D.Venkataramayya and seconded by Mr. K.H. Ramayya and carried unanimously (Chairman not voting) that the minimum Travelling Allowances for the non-official Members of the Committee as well as of the Conference be fixed as follows:-

A single First Class Railway fare for one journey by rail, a halting allowance of Rs.5/- per day for every day of attendance, annas Eight per mile for road journey; and that a representation should be submitted to Government on the subject.

(N.B. The object of fixing the minimum rates in the above resolution was to enable retired officers of Governmnet to draw not less than the above rates, even though they might not be entitled to that rate, without at the same time interfering with the higher rates which such officers might, by virtue of the offices they held be eligible to draw.)
